

...a photographya é para a alma o que a educação é para a vida...
...una fotografía es para el alma, lo que la educación para la vida...
...photography is for the soul what education is for the life...
...la photographie est por l'âme ce que l'éducation est por la vie...
...die fotografie ist für die seele was die erziehung für das leben...
...la fotografia é per l'anima quel che l'educazione é per la vita...
...fotografie is voor de ziel wat opvoeding voor het leven is...
