Ankkit Modi – Curriculum Vitae

PROFILE

My name is Ankkit Modi, I was born and raised in Madras, India. I am currently studying my first year of specialization in Visual Communication Design at Srishti School of Art Design and Technology.

I am interested in projects based on new media and interaction design. They are based on design research projects which allow a multi-disciplinary approach. This process allows me to use my skills and also to explore and learn more.

*thank you for going through my curriculum vitae
